

PUBLIC NOTICE: POWER OUTAGE IN GREENSPARK

Please note that there is power outage in Greenspark due to the High Voltage Pole that was cut and the over headline stolen. The Electrical Department could not replace the line due to the community unrest at the Fochville Electrical workshop.

The community is urged to have patience as efforts are made to restore the power and work will be done as soon as the unrest is under control.

The community is urged to treat every electrical equipment as live apparatus during this process until there is further communication.

The municipality apologizes for the inconvenience caused.

As Merafong City Local Municipality, our values, as set out below, are core to who we are and provide us with a compass for our actions:

- Integrity
- Accountability
- Commitment
- Teamwork
- Pro activeness and service excellence
